

Make a No-Sew Dragon

MATERIALS

3 different colors of construction paper:

2 sheets for A and D

1 sheet for B and C

1 sheet for E

2 black buttons

hole punch

glue

yarn

stuffing material

INSTRUCTIONS

1. Make a copy of the pattern pieces.
2. Using the patterns, cut pieces A, B, C, D, and E from construction paper.
3. Glue the buttons and pieces B, C, D, and E to the dragon body (A).
4. Align the dragon body pieces and punch holes evenly around the edges.
5. Lace yarn through the holes. Leave an opening around the nose to fill with stuffing.
6. Add stuffing material.
7. Finish lacing around the nose and tie ends of yarn together.

TIP: Wrapping one end of the yarn with tape strengthens the end and makes it easier to lace.
